## ANTIBIOTIC

| Sr. No. | BRAND NAME   | COMPOSITION                                           |          |
|---------|--------------|-------------------------------------------------------|----------|
| 1.      | CEPHAGO      | Cephalexin-250 mg + 500 mg                            |          |
| 2.      | CEFIXAZIGO   | Cefixime 200 mg + Azithromycin 250 mg + Lactobacillus |          |
| 3.      | CEFIXCLAVGO  | Cefixime 200 mg + Clavulanic Acid 250 mg              |          |
| 4.      | CEFIXORGO    | Cefixime 200 mg + Ornidazole 250 mg                   |          |
| 5.      | CEFIXOFLOXGO | Cefixime 200 mg + Ofloxacin 200 mg                    |          |
| 6.      | DICLOMEFGO   | Dicyclomine 10 mg + Mefenamic Acid 250 mg             |          |
| 7.      | PHENOXGO     | Phenoxymethylpenicillin-500 mg, 250 mg                |          |
| 8.      | DICLOXGO     | Dicloxacillin-250 mg + 500 mg                         |          |
| 9.      | AMOXYCLAVGO  | Amoxicillin with Clavulanic Acid                      |          |
| 10.     | AMPIGO       | Ampicillin-250 mg + 500 mg                            |          |
| 11.     | NAFGO        | Nafcillin                                             | Vaccine  |
| 12.     | OXAGO        | Oxacillin-500 mg                                      |          |
| 13.     | PEN-V-GO     | Penicillin V                                          |          |
| 14.     | PEN-G-GO     | Penicillin G-250 mg + 500 mg                          |          |
| 15.     | CEFACLOGO    | Cefaclor-250 mg + 500 mg                              |          |
| 16.     | CEFAZOGO     | Cefazolin                                             | Vaccine  |
| 17.     | CEFADROGO    | Cefadroxil- 500 mg                                    | Vaccine  |
| 18.     | CEPHAGO      | Cephalexin-250 mg + 500 mg                            |          |
| 19.     | CEFUROGO     | Cefuroxime-250 mg + 500 mg                            |          |
| 20.     | CEFIXGO      | Cefixime-200 mg + 400 mg                              |          |
| 21.     | CEFOXGO      | Cefoxitin                                             | Vaccine  |
| 22.     | CEFTRIAGO    | Ceftriaxone                                           | Vaccine  |
| 23.     | DOXYGO       | Doxycycline-100 mg                                    |          |
| 24.     | MINOGO       | Minocycline-100 mg                                    |          |
| 25.     | SAREGO       | Sarecycline-100 mg                                    |          |
| 26.     | ERYTHROGO    | Erythromycin-250 mg + 500 mg                          |          |
| 27.     | CLARITHROGO  | Clarithromycin-250 mg + 500 mg                        |          |
| 28.     | FIDAXGO      | Fidaxomicin-200 mg                                    |          |
| 29.     | ROXITHROGO   | Roxithromycin-150 mg + 300 mg                         |          |
| 30.     | CIPROGO      | Ciprofloxacin-250 mg + 500 mg                         |          |
| 31.     | OFLOXGO      | Ofloxacin - 200 mg                                    |          |
| 32.     | LEVOFLOXGO   | Levofloxacin-250 mg + 500 mg                          |          |
| 33.     | MOXIFLOXGO   | Moxifloxacin-400 mg                                   |          |
| 34.     | SULFATRIMGO  | Sulfamethoxazole with Trimethoprim- 800/160 mg        |          |
| 35.     | SULFASAGO    | Sulfasalazine-500 mg                                  |          |
| 36.     | SULFACETGO   | Sulfacetamide                                         | Solution |
| 37.     | SULFADIAZGO  | Sulfadiazine Silver                                   | Solution |
| 38.     | VANCOGO      | Vancomycin                                            | Vaccine  |
| 39.     | DALBAGO      | Dalbavancin                                           | Vaccine  |
| 40.     | ORITAGO      | Oritavancin                                           | Vaccine  |
| 41.     | TELAGO       | Telavancin                                            | Vaccine  |
| 42.     | AZIGO        | Azithromycin-250 mg + 500 mg                          |          |

## ANTI-HISTAMINIC/ANTI ALLERGICS
